Pick any two movies shown on your "2 FREE Movies Certificate" and they're yours FREE — you pay only \$3.95 for shipping costs.

You have more than 30 of the best Disney movies to choose from — including recent releases like *Mulan* and *Tarzan*, as well as animated classics like *Pinocchio* and *Alice In Wonderland* — and we're adding more selections every month.

Just fill in your "2 FREE Movies Certificate" and mail it back today in the attached, postage-free envelope. Or, for faster service, you can call 1-800-362-4587 or visit www.DisneyMovieCollection.com. (Be sure to mention your promotion code AYXXXX.)

You'll get 2 movies FREE — paying only \$3.95 for shipping — when you agree to purchase just four more movies over the next year — at prices lower than suggested retail prices — \$14.95 for VHS and \$19.95 for DVD.

Every month we'll offer you a new Disney "Title of the Month." You can accept this featured movie, select one of the alternative movies, or skip that month entirely. Your only commitment is to purchase four movies over the next twelve months.

No-Risk, Money-Back Guarantee

If for any reason you're not satisfied with your movie selection, we'll cheerfully refund the full price of your purchase plus the cost of shipping.

So don't delay. Start your family's collection now by filling in your "2 FREE Movies Certificate" and mailing it back today. You can also call toll-free 1-800-362-4587 or visit www.DisneyMovieCollection.com. (If you call or use our Web site, be sure to mention your promotion code AYXXXX.)
